*(May 11, 1925 - August 10, 2004)*

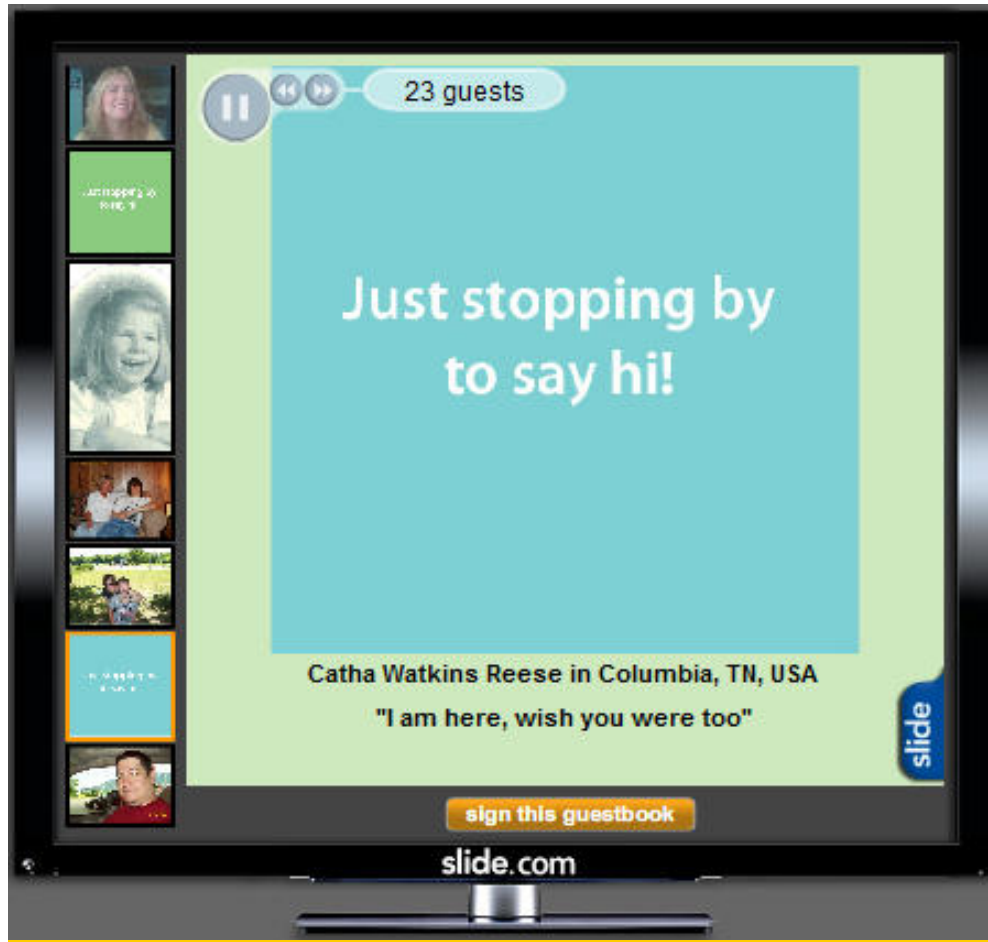

*Remember Friends as you walk by, As you are now so once was I, As I am now you shall be, So prepare for death and follow me. I am going to concentrate on what's important in life. I'm going to strive everyday to be a kind and generous and loving person. I'm going to keep death right here, so that anytime I even think about getting angry at you or anybody else, I'll see death and I'll remember. :)*

♥ This memorial website was created to remember our dearest Mary Virgie Watkins who was born in Alabama on May 11, 1925 and passed away on August 10, 2004. You will live forever in our memories and hearts. My momma was the best. She was always there for all her children and that will never be forgotten. We will NEVER understand why you were taken away from us, but will try to accept that God wanted to bring one of His angels back home. We will all cherish our great

memories of you and know we will be welcomed with your loving, open arms and big kisses when we meet again. Until then, we will all live the remainder our lives happily knowing that is what you would want. You are truly unforgettable and we will all love you forever!!! Contact Sandy Fleck for more info. ### I Feel A Tug

Angels are all around us  
And with love they do surround us.  
When my heart is sore in need  
The Angels come, my soul to feed.

They come to me from up above  
and sing in whispers of Love.  
When in my heart I feel a tug  
I know that it's an Angel's hug.

Sending this little Angel's Hug  
To Warm Your Heart  
&  
Bless Your Day

*from the deepest of our hearts...*

Christmas in Heaven

I see the countless Christmas trees around the world below,  
With tiny lights, like Heavens stars, reflecting on the snow.

The sight is so spectacular, please wipe away that tear,  
For I am spending Christmas with Jesus Christ this year.

I hear the many Christmas songs that people hold so dear,  
But the sounds of music can't compare with the Christmas choir up here.

I have no words to tell you, the joy their voices bring,  
For it is beyond description to hear the angels sing.

I know how much you miss me, I see the pain inside your heart,  
But I am not so far away, we really aren't apart.

So be happy for me, dear ones, you know I hold you dear,  
And be glad I'm spending Christmas with Jesus Christ this year.

I sent you each a special gift, from my heavenly home above,  
I sent you each a memory of my undying love.

After all, love is a gift more precious than pure gold,  
It was always most important in the stories Jesus told.

Please love and keep each other, as my Father said to do,  
For I can't count the blessings or love He has for each of you.

So have a Merry Christmas and wipe away that tear, remember

I am spending Christmas with Jesus Christ this year!

A great lady left this earth on August 10th 2004.

My momma was the template for many in my family on how to live a gracious life in the midst of trials. She lost her husband in 1975 and a daughter in law in 1989. She lost many sisters and love one along the way. She was a hard worker all of her life. She had a wonderful positive attitude, a faith simple and profound, and love unconditional. My momma loved people and was nice to all that came in her life. My momma is missed everyday by her love ones. I love you momma, your baby girl Sandy.

Dear Mommy:  
I think of all the things you do, and then I know why I love you  
You make my breakfast  
You wash my clothes  
You take me places I want to go  
.....You teach me things  
You read to me  
You help me become what I want to be.  
You sing me songs & hold me tight  
You hold my right hand in the dark at night  
In all the world, I know its true  
THERE IS NO MOMMY JUST LIKE YOU

### **I'll Always Watch Over You**

I'm like a fly on the wall,  
Or a star in the sky above,  
Always watching and waiting  
To show you my love.  
...I'm always on the back burner,  
But I stand behind you all the way.  
Forever I'll watch over you,  
No matter the time of day.  
Because you mean the world to me,  
And I'll always be here to fight,

Whenever something comes to harm you,  
To stop it, I'd give my life.  
Maybe then you would know,  
That every word I said was true,  
That I care more than anything,  
And I'll always watch over you

We often lay awake at night  
When the world is fast asleep  
And take a walk down memory lane with tears upon our cheeks

Remembering you is easy we do it everyday!  
But missing you is a heartache, That will never go away

***Sandy Watkins Fleck***

You'll never really know, my dear,  
Just how much you mean to me,  
A mother's love, buried so deep,  
That only my heart can see.

When I sit and really stare at you,  
All I can do is grin,  
Somewhere down deep inside,  
I see myself within.

I'd never change a thing in you,  
I thank God that your so fine,  
Even when your at your worst,  
I'm so proud that you are mine.

The roads we have traveled,  
were not always that good,  
I would take back all the pain you've felt,  
Only if I could.

I know that I'm not perfect,  
It's the best that I can do,  
But everyday, I thank the lord,  
For a daughter as special as you.

In Memory Of My Momma. I wrote this poem in memory of my mom. Momma Momma why did you go? Jesus has to know how I need you so. You always knew when I was down, just so easy without even a frown. I miss the way you would play with my hair. Oh how comforting to have you there. Momma Momma why did you leave? Couldn't you sense my desperate need? Sometimes I feel my hearts torn apart. When will the healing ever start? I felt so good knowing you were just a call away. It didn't matter night or day. I miss our talks about so many things. Cooking, babies, flowers, arts and crafts, family, even talks about your wedding ring. Momma I'm scared I'll forget your voice. The way you laughed sang and

rejoiced. You were always there to share my failures, accomplishments, disappointments, and deeds. You would even give me a hug if that was the need. Oh how I wish I could get just one more kiss. Because it's you I really miss. I Love ya momma!!!!!!!!!! .

Momma and Dad, I looked at your pictures yesterday. I thought what would you be like today. I know you were with me. I felt your presence, I have been sick and I thought I was going to die. **As I sit here missing my mom so much that it hurts. I started to think about valentines day and know that she was the meaning of love, she loved everyone. I just can't imagine each day without her. I can't believe that the holidays with my mom are always just going to be a memory now. They can never and will never be the same. She always added a special touch to make things much better. Whether it be decorating, cooking, shopping, gifts she bought with all her heart, or just the first person I would see to wish me a happy holiday. Sometimes, I just feel like my life is falling apart and I would do anything to talk to her and get some good motherly advice. Long story short, I miss her to death and life without her in it, is just so sad. I wouldn't want her back in this old world. I just wish I could hold her, kiss her, touch her, but mostly hear her voice that would say, I love you too. I love you momma, Happy Valentines day. Your spending it with Jesus, daddy, your mom and dad, family and friends. We love you, your family.**

**Mary Had a Little Lamb**

Mary had a little lamb,  
His fleece was white as snow.  
And everywhere that Mary went,  
The Lamb was sure to go.  
He followed her to school each day,  
Twasn't even in the rule.  
He made the children laugh and play.  
To have a Lamb at school.  
And then the rules all changed one day,  
Illegal it became;  
To bring the Lamb of God to school,  
Or even speak his Name.  
Everyday got worse and worse,  
And days turned into years.  
Instead of hearing children laugh,  
We heard gun shots and tears.  
What must we do to stop the crime,  
That's in our schools today?  
Let's let the Lamb come back to school,  
And teach our kids to pray!

IF YOU AGREE, PLEASE PASS IT ON!

**Angels Everywhere**

*An angel here, an angel there,  
I am surrounded by angels everywhere.  
When I am in the middle of a terrible storm  
They come with their candles to keep me warm.*

*An angel to comfort, an angel to guide,  
An angel to fill that dark hole inside.  
An angel to cry on, an angel who cares,  
I am surrounded by angels, everywhere.*

*The angels who reach out when times are rough  
Who will listen to my heartache and all kinds of stuff  
Bright in the sunshine and in dark of night  
The angels surround me with comforting light.*

*I guess God is busy and can't come on down  
To give me a smile and take care of my frown  
So he sent a few angels to brighten my day  
And help to carry my burdens away.*

*So thank you, dear angels, more than you will know  
For watering the happiness and making it grow!*

**My mom was my angel. I thank you God for sending her to be my mom for  
awhile. She is in Heaven spending her eternal life with you now.**

*On the day God took you  
I thought that I would die  
I wondered where the time went?  
I asked a lot of whys??*

*With people all around me  
I felt alone inside  
From all their words of comfort,  
I couldn't seem to hide,  
I thought I might be dreaming  
That I'd wake and find you here,  
I thought "This can't be happening."  
As I wiped another tear.  
On the day that you were laid to rest  
my precious mom and dad  
My heart broke yet again,  
I wondered if the pain would end,  
But mostly, I wondered when??  
It's hard to be without you,  
At times the days seem long,  
Sometimes I just sit crying,  
When there's really nothing wrong.  
I wish we'd had more time,  
Before your life was done.  
I hope your resting peacefully.  
Goodnight, from your little ones*

I am not there; I do not sleep.

I am the gentle autumn rain.  
When you awaken in the morning's hush

I am the soft stars that shine at night.

*I would like to take this opportunity to thank everyone who signs the guestbook and those who remember my mom and dad. Lets not forget.*

**This is me with my dad and mom. I love you and miss you both.**

### *Sandy Watkins Fleck*

I've had a good cry today. I know my heart will always be broken. I cannot portray with words how much I love and miss my momma and dad, Mary Toone Watkins and Bobby Watkins. It is so true; when you lose someone you love dearly your world is never the same, nor your heart. I face loneliness and longing for things that never can be again. I relive her death, see her fear. To keep these terrible memories from my mind, I have no way. Even the happiness Momma and I shared is so bittersweet. The memories bring a smile to my lips, but just as quick, cut me deep. The tears

flow, and once again, I feel all the broken pieces all about my feet. The empty void threatens to consume me. I miss you my dear sweet momma and daddy.

### *Sandy Fleck*

### *S Watkins Fleck*

If I knew it would be the last time  
that I'd see you fall asleep,  
I would tuck you in more tightly  
and pray the Lord, your soul to keep.

If I knew it would be the last time  
that I see you walk out the door,  
I would give you a hug and kiss  
and call you back for one more.

If I knew it would be the last time  
I'd hear your voice lifted up in praise,  
I would video tape each action and word,  
so I could play them back day after day.

If I knew it would be the last time,  
I could spare an extra minute or two  
to stop and say I love you,  
instead of assuming you would KNOW I do.

If I knew it would be the last time  
I would be there to share your day,  
well I'm sure you'll have so many more,  
so I can let just this one slip away.

For surely there's always tomorrow  
to make up for an oversight,  
and we always get a second chance  
to make everything right.

There will always be another day  
to say our I love you's,  
And certainly there's another chance  
to say our "Anything I can do's?"

But just in case I might be wrong,  
and today is all I get,  
I'd like to say how much I love you  
and I hope we never forget,

Tomorrow is not promised to anyone,  
young or old alike,  
And today may be the last chance you get  
to hold your loved one tight..

So if you're waiting for tomorrow,  
why not do it today?  
For if tomorrow never comes,  
you'll surely regret the day,

That you didn't take that extra time  
for a smile, a hug, or a kiss  
and you were too busy to grant someone,  
what turned out to be their one last wish.

So hold your loved ones close today,  
whisper in their ear,  
Tell them how much you love them  
and that you'll always hold them dear,

Take time to say "I'm sorry, please forgive me,"  
"thank you" or "it's okay".  
And if tomorrow never comes,  
you'll have no regrets about today.

## "To My Children" from Momma

My Children, it's Okay to cry,  
did you know I've seen angels fly?  
Jesus is so amazing,  
please don't stop praising.

For He will bring you to me,  
someday soon, you will see.  
My life with you was very brief,  
but the purpose was not for grief.  
Jesus wants you to see Him in everything,  
even through times that are the most trying.  
Before you go to sleep, look up to Heaven,  
ask the angels to hold me close, right then.  
When I feel them squeeze me extra tight,  
I'll know you are loving me through the night.  
Thank you for taking care of each other,  
you all need each other so much now, believe me.  
I hope you know I can't wait to kiss you, my children,  
but for a while longer we must wait, sadly.  
Our Father is preparing us a home to be together,  
there we will laugh and play forever.  
When we are together in Heaven someday,  
we will never miss each other like today.  
God is in control of all we go through,  
He will never leave nor forsake you.  
Through all the pain you feel from losing your mother,  
Jesus loves and holds you like no other.  
The love I feel for you cannot be shown,

until the day you are called home.  
Just know that it's okay to cry,  
My Children , I've seen angels fly!

Momma, I just wanted you to know I miss you.  My heart aches so bad. I want you to know that I was thinking of going and get a dipped ice cream cone today and how we would walk to town and stop on our way back. I want you to know that all the memories I remember that and a whole lot more. How you welcome anyone in and made them feel right at home. You were the best mom and friend anyone could have known. I love you and miss you mama. Remembering the songs you use to sing to all the kids. Oh how I miss you. I hope your having a great day in Heaven.

I can only imagine what it will be like  
When I walk by your side  
I can only imagine what my eyes will see  
When your face is before me  
I can only imagine

Surrounded by your glory  
What will my heart feel  
Will I dance for you Jesus  
Or in awe of you be still  
Will I stand in your presence  
Or to my knees will I fall  
Will I sing hallelujah  
Will I be able to speak at all

I can only imagine  
I can only imagine

I can only imagine when that day comes  
And I find myself standing in the Son  
I can only imagine when all I will do

## To Those I Love

When I am gone, just release me,  
let me go - so I can move into my  
afterglow.  You mustn't tie me down

with your tears; let's be happy that

we had so many years.  I gave you

my love, you can only guess  
how much you gave me in happiness.  
I thank you for the love you each have  
shown, but now it's time I traveled on alone.

So grieve for me awhile, if grieve  
you must, then let your grieve be comforted

with trust,  It's only for awhile that  
we must part, so bless the memories within

your heart.  And then, when you must  
come this way alone, I'll greet you with  
a smile and a "Welcome Home."

I love you all. Love your Mother Mary Virgie Toone Watkins

### **A letter from Moma**

Fill not your hearts with pain and sorrow,  
but remember me in every tomorrow.  
My going has eased my pain and given relief,  
so dry your eyes and forget your grief.  
Remember the joy, our laughter; my smile  
and that our being apart is just for awhile.  
Remember me also as I used to be.  
Understand in your hearts, so precious to me,  
that I've gone on ahead to dwell up above,

and ' til we're once more together...  
You have all of my love.

Love your momma  
I am in your heart forever

May 11, 1925 - August 10, 2004

God looked around His garden  
and He found an empty place  
He then looked down upon this  
earth, and saw momma's tired face.  
He put his arms around her  
and lifted her to rest.  
God's garden must be beautiful,  
He always takes the best.  
He knew that momma was suffering,  
He knew she was in pain.

He knew that she would never  
get well on earth again.  
He saw the road was getting rough  
and the hills were hard to climb  
So He closed momma's weary eyelids,  
and whispered, Peace be thine.  
It broke our hearts to lose her but  
she didn't go alone,  
For part of us went with her  
the day God called our momma home.

**WE REMEMBER MOMMA**

The quiet touch of understanding  
The loving look or gaze  
So rather than try to take away  
The grieving feelings inside  
Just know that I am thinking of you  
And time will be your guide.

There comes a time for  
each for us  
When nothing can be  
done  
To ease the pain and  
sorrow  
Of losing a beloved one  
It's at these times we  
need  
More than we ever  
could say

### ***Sandy Fleck***

Gone is a mother loved by all,  
Her soul is now at rest.  
She'll sleep in peace, her work is done.  
A mother's work-the best.  
She'll know the joy of perfect rest  
In heaven up above,  
Where she may dwell contentedly  
Protected by God's love.  
Our hearts may grieve that she must lie  
Beneath the sacred sod,

And yet we know she lives in peace  
Within the house of God.

*Don't grieve for me, for now I'm free  
I'm following the path God has laid you see.  
I took His hand when I heard him call  
I turned my back and left it all.*

*I could not stay another day  
To laugh, to love, to work, to play.  
Tasks left undone must stay that way  
I found that peace at the close of day.*

*If my parting has left a void  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss  
Oh yes, these things I too will miss.*

*Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much  
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief.  
Lift up your hearts and peace to thee  
God wanted me now; He set me free.*

I cannot say, and I will not say  
That she is dead. She is just away!  
And a wave of the hand,  
She has wandered into an unknow land  
And left us dreaming how very fair  
It needs to be, since she lingers there.  
Think of her faring on, as dear  
In the love of There as the love of Here;

Think of her still as the same, I say;  
She is not dead-she is just-Away!

## *Sandy Fleck*

Remember me

Remember me in quite days

While raindrops whisper on your pane.

But in your memories have no grief,

Let just the joy we knew remain.

Remember me when evening stars

Look down on you with steadfast eyes.

Remember if once you wake

To catch a glimpse of red the sunrise.

And when your thoughts do turn to me,

Know that I would not have you cry.

But live for me and laugh for me,

When you are happy, so am I.

Remember an old joke we shared,

Remember me when spring walks by.

Think once of me when you are glad,

And while you live, I shall not die.

We know your heart is breaking  
And you just wonder why

You couldn't be there to help us  
But please don't be sad

WHISPERS FROM HEAVEN TO MY Children Grandchildren  
and Greatgrandchildren and My Sister Tommie Whitt,

THE CHILDREN WHO HAS MY WHOLE HEART.

Love Your Mom & Dad

We had to leave so quickly  
No time to say goodbye

It's not your fault  
And We really love you this is MOM & DAD!

Besides, an Angel came in your place that day  
And gently took us by our hand

Then with a smile she said,  
"Come with me Young Girl and Young man"

She led us up to Heaven  
Where the lights were shining bright  
Where there are no tears, pain or suffering  
And there's no fear of the night

We really didn't die, you know  
So stay close to God and pray  
We just went to live with Jesus  
And we'll be together again one day

Good Night, God Bless, We Love You! Love your mom & Dad!!
